Title Swedish subsidiary of Harju Elekter signed a new contract with Region Stockholm for the

The Swedish subsidiary of Harju Elekter Group, Harju Elekter AB, signed electricity project contract with Region Stockholm, the administrative body responsible for public transport. This contract will serve as the basis for the upgrading of the rectifier station of the Odenplan metro station by February 2024. The approximate volume of the contract is 1.7 million euros.

The new project of Harju Elekter with Region Stockholm, which manages the Stockholm metro, represents the continuation of cooperation that already started with the modernisation of the Slussen
