Title Construction contract in Estonia (public water supply and sewerage in Harjumaa)

On 31 January 2019, consortium consisting of AS Merko Infra and AS Merko Ehitus Eesti, both part of AS Merko Ehitus group, and AS Saku Maja entered into a contract to perform design and construction works of water supply and sewerage piping in Metsanurme, Kasemetsa and Üksnurme area in Saku Parish, Harju County.

The contract includes establishing public water supply and sewerage system supply points to ca 1500 registered immovables as well as renewing road surfaces of the area.

The contract value is approximately EUR 6.4 million, plus value added tax. Works will start in the early summer of 2019 and they are scheduled to be completed in June 2021.

AS Merko Infra's main activities include building external networks of water, sewerage and gas pipelines, installing sewerage pump rooms as well as constructing and renovating storm water systems. Additionally, the company is engaged in designing, setting up and building medium- and high-voltage substations and electrical lines.

AS Merko Ehitus Eesti (www.merko.ee (<https://www.merko.ee/en/>)) is Estonian leading construction company, which offers construction services in general construction, civil engineering, road, electrical and residential construction.
