Making a proposal for the issue of new shares in the amount of 5 million euros to the general meeting of shareholders

For the implementation of the 2019-2020 operational plan and in order to meet the net asset requirement set out in the Commercial Code, the Supervisory Board decided to present to the general meeting of shareholders the proposal to increase the nominal value of the share to 1 euro and to exchange the existing shares so that for each 10 shares one new share is given, thereafter decrease the nominal value of the share to 0.10 euros and decrease share capital from 4,079 thousand euros to 408 thousand euros to cover the losses. Additionally, it was decided to propose to the general meeting of shareholders to increase in August 2019 the share capital by 5 million euros via public offering.

The proposed resolutions of the general meeting of shareholders and procedure for examining these are published on 21 March 2019 in the notice for calling the general meeting of shareholders. KJK Fund, Sicav-SIF, the largest shareholder of AS Baltika, is ready to subscribe the new shares.
