Title Construction contract in Estonia (Tondiraba Park, Tallinn)

On 23 February 2021, Tallinna Teede AS, part of AS Merko Ehitus group, and Tallinn Urban Environment and Public Works Department have entered into a contract to perform construction works of Tondiraba Park in Lasnamäe district in Tallinn.

The contract includes establishing the largest park in the district, covering almost 23 hectares, on the site of the former Lasnamäe bog. There will be several large playgrounds in the park, some of which will be adapted for children with special needs. In addition, there will be different sporting facilities, basketball and volleyball court, adventure trail, extreme sports area with skatepark and pump track, and dog walking areas. Additionally, an ice rink will be built, where other sports can be practiced in summer. For cyclists, a convenient infrastructure for cycling and several cross-country trails will be built, and the park will be connected with forest paths.

The contract value is approximately EUR 5.5 million, plus value added tax. The construction works will take approximately 7.5 months.
